Local Projects:

- Energy efficiency improvements through NYS certified program
- Renewable energy projects
- Portfolio to expand with time

Offsetting your carbon emissions in the Finger Lakes area has never been so easy.

CALCULATE YOUR EMISSIONS

Use our calculator to estimate your home energy, vehicle, and airplane travel emissions.

PURCHASE CARBON OFFSETS

Buy offsets to "cancel out" your carbon emissions.

PUT YOUR OFFSETS TO WORK LOCALLY

Your donations help community members needing assistance with their home energy efficiency projects.

Who gets the jobs?

Seal the Cracks

A Local Carbon Offset Campaign

Let's bring every home in our community into a clean energy future.

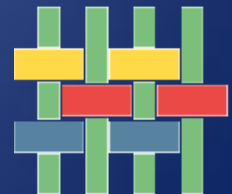

Seal the Cracks

Goal: \$10,000

**Local Carbon Offset Week:
October 24-30**

- help others in need
- support local green jobs
- protect our climate
- strengthen local economy

Seal the Cracks

The NYSAEMC will offset all travel emissions for the 2015 conference this weekend.

Thanks!!! This is how we will 'seal the cracks!'

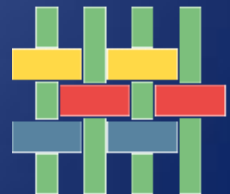

Put the finishing touch on your carbon diet!

Let's make carbon offsetting as much a part of the Ithaca lifestyle as recycling.

Early pledges: \$4,363 and 218 tons offset by 26 businesses, organizations, and individuals.

Seal the Cracks
