Navigating the Grants Gateway

Finding Grant Opportunities and Assistance

October 25, 2019

What we're discussing today

- How to find grant opportunities through DEC
- How to find help with the Grants Gateway
- User roles in the Grants Gateway
- Helpful hints – application preview and global errors

Finding New Grants

Be notified when grants are announced:

- New York State Contract Reporter – www.nyscr.ny.gov
  - All contracts are published in the Contract Reporter

- Grants Gateway – https://grantsgateway.ny.gov
  - Majority of opportunities are published in the Gateway

Gateway Home Page

Find help with your application

Grantsmanagement.ny.gov has training resources

- Training Calendar for Webinars
- *Vendor User Manual* provides a step by step walk through
- Call (518) 474-5595
- Email GrantsGateway@its.ny.gov
